[redacted] learned from a leading employee of the Wolldecken-Weberei (woollen blankets Weaving Mill) (WfW) in Aschersleben that this plant chiefly produced blankets for the people's police. On 29 August 1952, the plant in addition to the production quota which was unknown to source received first priority order to deliver 18,000 blankets of sheep's wool for the people's police.

[redacted] Comment. The plant is believed to be the former Ascherslebener Wolldeckenfabrik Gebr. Ludwig at 2 Pfeilergraben, Aschersleben, or the Wolldeckenfabrik G. Knoche.
